Get Superior Coverage with Trusted Disinfecting Solutions...For Healthier Facilities

In facilities where people work, live and play, illness-causing germs can quickly spread on surfaces. Manual cleaning methods and traditional disinfecting tools aren't designed to effectively reach all areas.

Now a revolutionary new way to get the job done.

The Clorox® Total 360® Systems pair a corded electrostatic sprayer with a portfolio of Clorox disinfectants to use on a wide variety of surfaces — even those hard-to-reach, difficult-to-clean areas. The superior coverage helps keep facilities healthier, while also saving time and money.
